Getting Ready

Basketball season has finally arrived, and we're extremely excited about our team and the prospects of what we could achieve this season. The players have been working very hard during workouts and conditioning, and the players and staff are eager for our first official practice on November 1. We have created this newsletter in order to stay in touch with our supporters, and hope everyone is excited as we are to get this new season underway!

THE MOST VALUABLE THING IN THE WORLD

I am the most desirable thing in life. Without me no one can be healthy, happy, or useful....without me, the hidden wealth and vast resources of this earth would have no value.

Men and women who try to get along without me are characterless, selfish, undeveloped, useless, and unprofitable members of society.

I am behind every fortune, every art and science, every achievement, every triumph of man.

Rich men and poor men alike often try to find substitutes for me, hoping thereby to secure a larger measure of happiness, peace, and satisfaction, but they are always bitterly disappointed. Instead of gain, every substitute for me brings them loss.

As the creator is greater than the creature, so I am greater than wealth, power, fame, learning, or any other acquired possession or quality of man, because I am the source from which he acquired them.

I am WORK.

QUOTES OF THE WEEK

"

"One man can be a crucial ingredient on a team, but one man cannot make a team."

- Kareem Abdul Jabaar

"Successful programs consist of people working hard, working together, while never worrying about who gets the credit."

- Don Meyer

"Do not let what you cannot do interfere with what you can do.

- John Wooden
