

Math 6 Syllabus 2018-2019

Academic standards, chosen by the Tennessee State Board of Education, provide a common set of expectations for what students should know and be able to do at the end of a specific grade or course. Local school districts determine the order in which these state-mandated standards are addressed in their schools. For a breakdown of standard pacing and course objectives for Math 6 students in the Clarksville Montgomery County School System, please visit the Curriculum Navigator on the CMCSS homepage found at: <http://curriculum.cmcss.net/public/index.aspx>

It is the policy of the Clarksville Montgomery County School System to follow the dictates of state statutes in the selection and use of all instructional materials. Parents or legal guardians may request to review any instructional materials used in the classroom of the parent or legal guardian's child following the guideline set forth in Instructional Policy INS-A073 found at: <http://www.cmcss.net/departments/instruction/departmentsforms.aspx>

The chart below outlines the units of study for Math 6 and possible major assignments or field trips that could be used to enhance student learning or solidify mastery of standards in each unit. This chart is not inclusive of every assignment for Math 6, as additional or different assignments may be created based on the needs of students. Specific details for major assignments will be shared with students and parents or legal guardians as the standards related to the assignments are addressed in class.

Standards for Mathematical Practice:

1. Make sense of problems and persevere in solving them.
2. Reason abstractly and quantitatively.
3. Construct viable arguments and critique the reasoning of others.
4. Model with mathematics.
5. Use appropriate tools strategically.
6. Attend to precision.
7. Look for and make use of structure.
8. Look for and express regularity in repeated reasoning.

	Topic	Possible Major Assignments	Possible Field Trips
1	Multi-Digit Computation and Finding Common Factors and Multiples	Classwork, Homework, Math Task, Weekly Quick Quiz, Unit Assessment, STEM Challenge	N/A
2	Dividing Fractions	Classwork, Homework, Math Task, Weekly Quick Quiz, Unit Assessment	N/A
3	Algebraic Expressions	Classwork, Homework, Math Task, Weekly Quick Quiz, Unit Assessment	N/A
4	Equations and Inequalities	Classwork, Homework, Math Task, Weekly Quick Quiz, Unit Assessment	N/A
5	Ratios	Classwork, Homework, Math Task, Weekly Quick Quiz, Unit Assessment	N/A
6	Rates and Percents	Classwork, Homework, Math Task, Weekly Quick Quiz, Unit Assessment	N/A
7	Representing Relationships	Classwork, Homework, Math Task, Weekly Quick Quiz, Unit Assessment	N/A

8	Extending the Number System	Classwork, Homework, Math Task, Weekly Quick Quiz, Unit Assessment	N/A
9	Relationships in the Coordinate Plane	Classwork, Homework, Math Task, Weekly Quick Quiz, Unit Assessment	N/A
10	Problem Solving with Area in 2-D Shapes	Classwork, Homework, Math Task, Weekly Quick Quiz, Unit Assessment	N/A
11	Problem Solving with Volume and Surface Area	Classwork, Homework, Math Task, Weekly Quick Quiz, Unit Assessment	N/A
12	Understanding Data Distributions	Classwork, Homework, Math Task, Weekly Quick Quiz, Unit Assessment	N/A
13	Analyzing Data	Classwork, Homework, Math Task, Weekly Quick Quiz, Unit Assessment	N/A
14	Transition to Grade 7	Classwork, Homework, Math Task, Weekly Quick Quiz, Unit Assessment, STEM Challenge	N/A
