Blanchfield Army Community Hospital (BACH) was awarded the Boots on the Ground Award from the CMCSS Education Foundation. This award is given to the top military unit or veteran group participating as a Partner in Education. We are so thankful for everything they do!

NEMS Community Forum

Tuesday September 6th we had our first NEMS Community Forum of the school year. We were able to discuss concerns parents had about bullying, dress code, transportation, and more. We will continue to have these throughout the year and welcome all families to attend. Please make sure you follow our social media and are receiving our School Messenger calls, texts, and emails to stay informed. With continued support of parents and community members, we will work together to make Northeast Middle School SOAR to the top!

Information for Parents

Do you know how to check your child's grades?

CMCSS uses PowerSchool for attendance and grades. You can login from any computer or download the app for your phone. We encourage all you to use this to regularly check your child's progress. You are also able to set up notifications to alert you if their grades drops in classes or if they are marked absent.

If you need to know how to create a parent account, please reach out to your child's homeroom teacher.
