Dear Friends of Rossview High School.

Plans are underway for the Class of 2015 After Prom, scheduled for **April 25, 2015** at Rossview High School. After Prom is a supervised, *alcohol-free, drug-free* event immediately following the Prom. The After Prom Committee, with your support, would like to provide the students a night of fun, games, activities, entertainment, food, and prizes. With the financial generosity of the Clarksville community, we will be able to fund this event as needed. We hope you will consider supporting this worthwhile effort in providing a positive environment for this year's Senior Class. All donations will be used **solely to fund After Prom**.

To ensure that the After Prom tradition continues we rely heavily on parent and business donations. This community-supported event is self funded each year. For your generous support, your donation will be prominently displayed on our DONOR WALL the night of the event as well as on our Facebook page, *Rossview High School After Prom 2015*. Your contribution is greatly appreciated by the Rossview High School Class of 2015, their parents, and the entire Rossview community.
