

2018 NATIONAL LATIN EXAM

Over 143,000 students from 25 countries took the National Latin Exam, including Italy, South Korea, and the UK. After the tests are scored, students receive certificates for beating the average in their level. If they beat the average by a bit more, they get silver medals, and if they beat it by a lot, they get gold medals.

This year, Rossview had 7 gold medals, 10 silver medals, 8 Magna Cum Laude certificates, and 6 Cum Laude certificates. 32 students scored above the average, out 46 who took it.

This is Sarah Lee's fourth consecutive gold medal, so she'll be getting a big Oxford Latin Dictionary.
